Attorney Docket No. BKNL-001-101

This is a decision on the petition filed May 13, 2008, to revive the above identified application under 37 CFR 1.137(b)¹.

The petition under 37 CFR 1.137(b) is **GRANTED**.

A non-Final Office Action was mailed May 3, 2007 and set a three (3) month shortened statutory period for reply. Since the maximum period of time obtainable for an extension of time had elapsed and since no proper reply had been received, the application became abandoned on August 6, 2007. Accordingly, a Notice of Abandonment was mailed December 27, 2007. A grantable petition filed under the provisions of 37 CFR 1.137(b) <u>must</u> be accompanied by:

⁽¹⁾ the required reply, unless previously filed. In a nonprovisional application abandoned for failure to prosecute, the required reply may be met by the filing of a continuing application. In an application or patent, abandoned or lapsed for failure to pay the issue fee or any portion thereof, the required reply must be the payment of the issue fee or any outstanding balance thereof.

⁽²⁾ the petition fee as set forth in 37 CFR 1.17(m);

⁽³⁾ a statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. The Commissioner may required additional information where there is a question whether the delay was unintentional; and

⁽⁴⁾ any terminal disclaimer (and fee as set forth in 37 CFR 1.20(d)) required pursuant to 37 CFR 1.137(c)).

respond to their inquiries regarding the status of this patent application and finally his failure to advise the applicant that this patent application had become abandoned.

The petition was dismissed in a decision mailed May 6, 2008 because petitioner had not established unavoidable delay.

Comes now petitioner with the instant petition to revive and a response to the non-Final Office Action mailed filed May 3, 2007.

This matter is being referred to Technology Center 1617 for appropriate treatment on the amendment filed May 13, 2008.
